MOTION FOR MODIFIED PLAN

Comes now the Debtor(s) by Counsel, and move the Court for the entry of an order for a Modified Plan under the Chapter 13 Plan that was confirmed on 6/21/2012 and in support thereof states unto the court the following reasons:

To reduce payments due to loss of income and increase in expenses (mortgage from \$215.00 to \$548.00), all while still paying allowed claims 100%.

The unsecured creditors are advised that this modified plan will decrease the amount paid on their allowed claims. The original proposed plan noticed to all creditors stated that 100% of all allowed general unsecured claims would be paid. Based on claims as filed, the confirmed plan would have paid 100% of the allowed claims of the general unsecured creditors. This proposed modified plan will pay 100% of all the allowed claims of the general unsecured creditors.

The Trustee has received \$32,780.00 through the date of the plan, and the Debtor(s) will pay \$250.00 per month beginning 4/30/2013 for a period of 50 months in addition to the funds received by the Trustee.

Dated: 3/26/2013
